*the City Council of the City of Buena Park
does hereby recognize*

*Sexual Assault Awareness Month
April 2010*

The City Council of the City of Buena Park recognizes that sexual assault affects women, children and men of all racial, cultural and economic backgrounds and in addition to the immediate physical and emotional costs, sexual assault may also have associated consequences of post-traumatic stress disorder, substance abuse, depression, homelessness, eating disorders and suicide. The City Council recognizes the need to educate the population about what can be done to prevent sexual assault, support victim/survivors and their significant others and increase support for agencies providing services to victim/survivors. Sexual Assault Awareness Month provides an excellent opportunity for citizens to learn more about preventing sexual violence.
